

Win a flight to the WSA WINNERS' EVENTS 2012 in ABU DHABI!

We are very proud to announce the Kick-Off of the second edition of the WSA-mobile in 2012. This time, we are looking for the Best in m-Content and innovative applications to present at the **Winners' Events in Abu Dhabi** in November 2012. At the moment we are already busy to launch the WSA-mobile 2012 in the framework of the **GSMA Mobile World Congress** and on that occasion, **we raffle a flight to Abu Dhabi** – a great opportunity to take part in the Winners' Events in November. To win this price, you must show some creativity. We are looking for the most inspiring approach to the question:

What is promising about m-Content?

The time window for winning will be open a short time only: Until March, 5th 2012, answers can be posted on Twitter (@WSAOffice) or Facebook (www.Facebook.com/WorldSummitAward). For further information, please visit our website: www.wsa-mobile.org.

The raffle is a great opportunity to profit from the Best in m-Content, presented at the Winners' Events in Abu Dhabi and to discover the outstanding city in the United Arab Emirates. So: Share your notion – we pay your flight to Abu Dhabi!

What is the WSA-mobile?

The WSA-mobile is a response to the rapid development and focus change on the content scene world wide. The award has been launched in June 2010 and is dedicated explicitly to selecting and promoting the world's best m-Content. The second edition of the WSA-mobile will be carried out in Abu Dhabi in November 2012.

We look forward to get inspired by your post.

Your WSA-mobile Team.
